

2017 - 2018 Madison Consolidated Schools Student Device Repair/Replacement Costs

At this time, Madison Consolidated Schools does not offer any type of device coverage. Each student is asked to sign a detailed Technology Agreement which outlines care and use when devices are distributed.

Repair expenses are listed below for both the Chromebook and iPad Air 2 devices. If necessary, repair expenses are the responsibility of the student/family and will be charged at our cost. An estimate of charges will be made available to you prior to service.
